

1.

D G
Of God our Father we proclaim
D. A
To be the Mighty Lord
D G
The sun and moon and stars above
D A D
Created by His Word
A D
To mortal man He pleased to give
G D A
Salvation by His grace
D G
That we might see, and one day soon
D A D
The radiance of His face

2.

D G
There's nought of earth that can compare
D A
To what He has in store
D G
For those who take Him at His Word
D A D
His riches and much more
A D
The life we live, as while we wait
G D A
With Christ is crucified
D G
We walk by faith, not by sight
D A D
The flesh must be denied

3.

D G
We run the race not by ourselves
D A
His Spirit does abide
D G
To strengthen us unto the end

D A D
And present us as His bride
 A D
And when in Heaven we stand beside
 G D A
His Throne and sing our song
 D G
What joy will fill our hearts up there
 D A D
Amidst the blood-bought throng

4.

 D G
With grateful hearts we long to tell
 D A
And publish it abroad
 D G
That Jesus Christ is God's own Son
 D A D
He is the Mighty Lord
 A D
So God our Father receive our praise
 G D A
Our all in all is You
 D G
We thank You for Your endless love
 D A D
And wondrous things You do
